ABOUT BANGLADESH

Bangladesh officially the people's Republic of Bangladesh, is a country in south Asia. Her land area is 147570 square miles. It is the eighth-most populous country in the world, with a population exceeding 180 million people. About 85% of the total population is muslim. The rest Hindus, Christens and Buddhists. People of all riligions live here peacefully. The 26th March and 16 December are our Independence Day and Victory Day respectively. Ethnically the Bengali nation is very hardworking and industrious. Just as thers are talented manpower doctors, engineers, corporators there are also experienced manpower of other professions. Bangladesh has already gained a good repuation by exporting skilled manpower of all walks of life to many countries of the world including Europe, Middle East and has been able to earn a significant amount of foreign currency .
